

MESSAGE FROM MARSHA ***“WE THE PEOPLE...”***

Our Constitution proclaims...“*We the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States...*” These familiar yet relevant words guide me every day as your State Representative.

Last year the General Assembly passed a law moving up the date for political parties to hold their precinct caucuses in presidential election years from the third Tuesday in March, to the first Tuesday in February.

Now is the time for **you** to consider getting involved this **February 5th!** Being part of this important process is rewarding, and allows **you** to have a voice and a vote on the candidates **you** want to see on the ballot!

YOU must be **registered to vote** and **affiliated** with a major political party, either Republican or Democrat, to participate in their caucuses. Call your County Party to find out the location of your precinct caucus and any additional information on the process involved.

Caucusing gives you the opportunity to be a delegate for a candidate that you believe is working for you! Caucusing allows you to participate in policy issues, support candidates for a variety of local, state and national offices, and discuss important party platforms; taxes, government spending, education, health care, national and local defense, economic freedom and more. Constitutional rights such as the your second amendment rights, property rights and water rights should not be left in the hands of others!

I invite **you** to join the other fine men and women who have served their communities and political parties in this very important process. Please join us on **February 5th** for a caucus you will never forget! **YOUR** voice and **YOUR** vote will be heard and counted!

**WE THE PEOPLE ARE TOTALLY RESPONSIBLE FOR THE
GOVERNMENT WE CURRENTLY HAVE!**

If you have any questions regarding this or any other issues, please email me at MarshaLooper@gmail.com, visit my website at www.GOMARSHA.org, or call me at 303-866-2946. Thank you for the privilege of serving you!
