

MESSAGE FROM MARSHA

ARE YOU READY TO PARTY?

It's the season to begin thinking about how you can change the course of history! One way is to get involved in the political process by attending a caucus. Caucusing is your opportunity to hammer out policy and select political candidates for the primary and general elections. . In order to participate, one must have registered to vote and have affiliated with either the Republican or Democratic *Party* for at least two months prior to March 16.

Local, state and federal laws are established by the politicians that are vetted through this caucus process, and to ensure the right person is selected it is important that individuals are involved at this grass roots level. Delegates selected at the caucus will vote on candidates who will represent their precincts in the county and state assemblies. I invite you to be one of many delegates for House District 19; the caucus is scheduled for March 16, at 7:00 pm, at location near you(see www.gopelpaso.com for Republican caucus and www.peakdems.org for Democratic caucus information).

Check in before 7:00 pm on March 16, at your caucus location so your vote can be counted. The agenda typically includes the following:

- ✓ Conduct preference poll(secret ballot) and announce results;
- ✓ Elect Precinct Committee persons;
- ✓ Elect Delegates/Alternates;
- ✓ Recruit Election Judges;
- ✓ Discuss Issues and Consider Resolution items;

I am thankful to everyone who makes this process possible to our communities. If you need a ride to the caucus please email me at marshalooper@gmail.com or call me on 719-238-5600 no later than 7:00 pm on March 12, 2010. If you need additional information on your caucus contact the Republican Party at 578-0022 or the Democratic Party at 473-8713. Please join me and others who are committed to protecting our liberties, rights and freedoms by participating in the caucus process. Thank you for the opportunity to serve you and your family!
